

Langhe DOC Chardonnay

Area: High Langa hills

International Vineyard for many uses.

Vinificated in a traditional way, with mature grapes still having a good acidity, it gives us a pleasantly vibrant wine, characterized by a great number of scents.

Its moderate alcohol content provides the palate a sweet softness, subsatined by an acidolous hint, because of its youth.

It matches fish-based appetizers and raw meats, emmersoups and soft cheese.

To be served fresh at 6-8 °C
