

Langhe DOC Dolcetto

Area: Bormida Valley's sides

The grapes for this wine's production come from many agricultural businesses and are processed in the classic way, following the Piedmont's style.

Easy-drinking wine, bright-red coloured with ruby reflections. Vinous scent, classic and very fresh; dry flavour with moderate alcoholicity and good balance.

Wine not suitable for ageing, to be drunk young for the whole meal, in particular together with vegetables' soup and first courses.
